

## What's New for 2021

- ◆ A kitchen window with slider and screen. Unlike other OEM's solid pane kitchen window, you can bring fresh air into your galley while cooking. Day/night shades for this window are electrically powered off the Vegatouch® system.
- ◆ Removable screen on entry door with a high grade cloth storage bag. Co-pilot no longer has to look at the beautiful scenery through a mesh screen while rolling down the highway.
- ◆ Changed the radius shower to a larger rectangular shower on the B & W floorplans.
- ◆ Aqua View Showermişer with "GREEN" technology saves fresh water.
- ◆ Added individual shut of valves to centralized water distribution point in wet bay.
- ◆ Free-standing dinette chairs now with industry-exclusive swivel seat base for great ergonomic functionality.
- ◆ Additional A/C vent in rear wardrobe now on all floorplans.
- ◆ Switched to EZ clean stainless 24" Fisher & Paykel® dishwasher drawer with easy access to controls.
- ◆ Switched to single bowl Blanco granite kitchen sink ILO double bowl stainless steel sink. This sink is non-porous, hygienic and resistant to stains, scratches and chips.
- ◆ Switched to Saniflo macerator toilet ILO Thetford's Tecma macerator toilet.
- ◆ Vastly improved accessibility to Spartan® chassis batteries.
- ◆ Replaced the touch lights with the standard LED lights used throughout the rest of the coach.
